

Group Benefits

Make a **Difference.**
Give the **Comfort of Now!**

Convenient Telephone and Email Physician Care, 24/7/365

- Differentiate your association benefits
- Boost member recruitment and retention
- Provide members-only access to online health tools
- Make a true difference In your community

Tele-WellSM Advisory, powered by Ameridoc, provides groups and associations with 24/7 access to U.S.-based, licensed physicians for telephone and email consultations. By connecting patients with physicians in an effective and convenient manner, a **Tele-WellSM Plan** membership delivers value and convenience, while improving the quality and affordability of your members' health care coverage.

Members can call or email physicians to obtain quick and convenient medical advice, obtain a diagnosis, or request a prescription for common conditions.

Tele-WellSM Plan Member Benefits

- Easy access: U.S.-based, licensed physicians are available 24/7 via telephone or email
- Convenience and peace of mind: Obtain medical care, even while on-the-go
- Save money: Avoid costly co-pays, or in-office doctor's visits
- Quality care: Consult with physicians to get medical advice, a diagnosis, or prescription medication when appropriate
- Continuity of care: Send detailed care reports to your primary care physician or care coordinator
- Online health tools: Look up symptoms, take health quizzes, and manage your health
- No denials, insurance forms, or preexisting conditions: Everyone is accepted

Group Benefits

Differentiate your affinity group benefits

- Tele-WellSM offers prompt access to U.S. based, licensed physicians via telephone or email.

Boost member recruitment and retention

- Tele-WellSM progressive telemedicine program is an attractive value-add to your group membership benefits.

Members-only access to online health tools

- Tele-WellSM Plan members can store their Electronic Medical Records.

Lowers members' healthcare expenditures

- Avoid unnecessary costs of a PCP visit, an urgent care facility or an ER visit.
